General Information Regarding Pay to Participate Payments

- a) All Athletes are required to pay the participation fee as set by the Board of Education to be a member of a team. The fee is due before the first contest is played of a sport season. An athlete may not participate in a contest until the fee is paid. No fees will be returned after an athlete has participated in a scrimmage or contest. The participation fee is waived for any athlete who presents written documentation of being eligible for ADC (Aid to Dependant Children) or ODA (Ohio Disability Assistance).
- b) Students in grades **7-8** participating in the activities listed on the reverse side of this form shall be charged a fee of **\$65.00** per activity. The family cap will be **\$200.00**.
- c) Students in grades **9-12** participating in the activities listed on the reverse side of this form shall be charged a fee of **\$100.00** per activity. The family cap will be **\$200.00**.
- d) In the case of co-curricular activities, the fee is due on or before the first scheduled activity (practice, performance, meeting) as determined by the director or advisor.
- e) In the case of athletic activities, the fee is due on or before the first scheduled contest. An athlete may not participate in a contest until the fee is paid. No fees will be returned after an athlete has participated in a scrimmage or contest.
- f) Payments must be made in the form of cash, check, or money order payable to the Lancaster City Schools.
