

Lancaster High School Football Benefit Golf Outing **SPONSOR FORM**

The Lancaster High School football team has made the state playoffs five of the past six years and has won the OCC in four of the last six seasons. The program has given numerous student athletes the opportunity to continue their education at colleges and universities all across the country. However, success in high school sports, particularly football, does not come without a price. This season, we look to upgrade our weight room equipment and replace some of the outdated football helmets and pads. In order to continue this great football tradition in Lancaster, we are calling on our community to continue to support our football program. To make a contribution, simply indicate your level of support on the form below. **THANK YOU** and we look forward to seeing you on the course!
